Open competition for the position of Group Leader

2020-08-04

HR EXCELLENCE IN RESEARCH

nencki institute
of experimental biology

Nencki Institute of Experimental Biology of the Polish Academy of Sciences in Warsaw invites applicants to participate in an open competition for the position of GROUP LEADER. We are seeking highly motivated scientists who have completed at least two years of post-doctoral training, have demonstrated outstanding scientific achievements and are ready to start their independent careers.

We offer employment in the leading Polish research institution in life sciences located on the largest Polish biomedical research campus in one of the most vibrant cities of Europe. The Nencki Institute is active in basic and translational research in the fields of molecular and cellular biology, biochemistry, neurophysiology and bioinformatics. The candidate's scientific interests should fall within the research fields of the Nencki Institute.

The initial contract in this position will be for 5 years with the possibility of obtaining tenure at the Nencki Institute upon the successful review. A group leader will have full freedom to develop his/her own scientific projects and responsibility for forming and leading an independent research group. Appointment will include core funding and up to three group members as well as access to state-of-the-art research facilities.

Successful candidates are expected to:

- hold a doctorate or medical degree in a relevant discipline
- demonstrate outstanding research achievements
- present plans for an ambitious and competitive research program
- possess the leadership skills required to direct an independent research group
- exhibit openness to internal and external collaborations

Applications should include:

- curriculum vitae
- full list of peer-reviewed publications
- up to three experimental publications (pdf) with a brief explanation of their significance and the candidate's contribution
- description of past accomplishments and future research plans (max. 5 pages)
- contact information to at least 3 referees

Application deadline: September 15, 2020

Applications should be sent to: group.leader@nencki.edu.pl

For additional information please contact Ms. Urszula Dziewulska: u.dziewulska@nencki.edu.pl

The selection process will be conducted by the Recruitment Committee established by the Director of the Nencki Institute. Short-listed candidates with the highest score will be selected for personal interviews. Interviews will take place at the Nencki Institute in the second half of October 2020. The results of the competition will be announced in the end of November 2020.

Please include the following clause in your CV:

I give consent for my personal data included in the recruitment form to be processed by Nencki Institute of Experimental Biology PAS with its registered seat in Warsaw at Pasteur Street No. 3 (data controller) for the purposes of recruitment for post-doc position pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC in compliance with a legal obligation to which the data controller is subject to (Art. 6 section 1 letter a) and the Act on personal data protection of 10 May 2018 (Journal of Laws of 2018, item 1000).

Information Clause

The Controller of data is Nencki Institute of Experimental Biology PAS with its registered seat in Warsaw at Pasteur Street No. 3. Contact Details of the Personal Data Protection Officer: iod@nencki.gov.pl

Personal data in the recruitment form is collected and will be processed only for the purposes of recruitment for Group Leader position conducted by Nencki Institute of Experimental Biology PAS.

Giving consent for processing of your personal data is voluntary; however, it is necessary in order to take part in recruitment. I hereby state that I was informed about the right to withdraw my consent at any time. The withdrawal of the consent does not influence the lawfulness of any processing performed before the consent withdrawal.

Personal data collected in order to perform the recruitment process shall be processed throughout the period of time necessary for the organization and completion of the recruitment process, as well as for considering a possible complaint; however, not longer than up to 31.12.2020

Personal data will not be transferred to a third party.

You have the right to request the data controller for access to your personal data, to edit or limit its processing, as well as to raise an objection or transfer your data. You are also entitled to file a complaint to the supervisory body (President of the Office for Personal Data Protection).
