Seminar of the Department of Neurophysiology - dr Konrad Lehmann

2014-09-19

The weekly seminar of the Department of Neurophysiology will take place on September 24th at 3 PM in the Konorski Hall on the second floor of the Nencki Institute. The seminar is organized together with Department of Molecular and Cellular Neurobiology. Dr Konrad Lehmann (Friedrich Schiller University Jena - Institute of General Zoology and Animal Physiology) will present a lecture entitled: "It takes two to tango: How cortical plasticity is determined by both stimulation and cortical responsiveness". The supplementary materials might be found on the seminar's site: <http://www.neuroinf.pl/Members/neurofizjo/seminars>
