Seminar of the Department of Neurophysiology - Professor Paul Tiesinga

2013-10-11

The weekly seminar of the Department of Neurophysiology will take place on October 16th at 3 PM in the Konorski Hall on the second floor of the Nencki Institute. Professor Paul Tiesinga (Radboud University Nijmegen) will present a lecture entitled: "The role of neural oscillations in information transmission between brain areas". The guests are cordially invited. The supplementary materials might be found on the seminar's site:
