## **Seminar of the Department of Neurophysiology-dr Gabor Braunitzer**

2013-03-28

---

The weekly seminar of the Department of Neuro-physiology will take place on April 3rd at 3 PM in the conference room on the second floor of the Nencki Institute. Dr Gabor Braunitzer (University of Szeged) will present a lecture entitled: "Migraine and its effects on visual development in childhood". The guests are cordially invited. The supplementary materials might be found on the seminar's site:
